ORDER

In pursuance of the order of Hon'ble High Court of Himachal Pradesh dated 23-11-2005, the petitioner was heard in detail as well as record was perused minutely and order is passed as under:—

Shri Jaram Singh has submitted that the order of the removal has been passed against him at political instance. He further submitted that the inquiry ordered against him is also outcome of the political vendetta. He submitted that the allegations are not true. He has completed all the works, which have been shown in the show cause notice inquiry report as well as in the order of removal. He has further submitted that he has completed the work of construction of path from Shiv Mandir temple to house of Balwant Singh has been completed by him. He also pointed out that some portion of the road from house of Balwant towards temple had already been constructed under M. P. fund as such he started the work from the portion which has already been constructed. Similarly he has refuted all the allegations of the show cause notice. He also argued that his reply to the show cause notice has not been considered at all while passing impugned order.

I have perused the record as well as reply submitted by Shri Jaram Singh. There were seven allegations in show cause notice of removal. Moreover, there is also an allegation of spending of excess amount of Rs. 12164.65/- while purchasing the foodgrains for the purpose of construction of Shiv Mandir temple. As per the enquiry report submitted by the Block Development Officer, Rait there was total misappropriation of Rs. 39407.00/-. Thus total misappropriation comes to Rs. 51571.65/-.

**Charge No. 1.**—As far as construction of Danga Nalah, Thana is concerned same has been constructed by Shri Rakesh Bharti who has been paid a sum of Rs. 5965.00/- whereas only Rs. 4000.00/- were sanctioned and the work was not done as per the approved plan. The work was to be completed by the Pradhan, whereas it has been undertaken by the beneficiary Shri Rakesh Bharti. Thus total sum of Rs. 5965.00/- is proved misappropriated.

**Charge No. 2.**—Construction of protection pulli and path Thana Rakesh Bharti. A sum of Rs. 10000/- was received as first installment for the said work but when spot was inspected it was found that the work had already been completed and therefore money was got released for

already completed work. It has also been established that the work was not done according to the approved plan. The petitioner has shown to have spent a sum of Rs. 14869.00/- on this work. Thus this amount has been misappropriated by the petitioner.

**Charge No. 3.**—Construction of Plan from Shiv Mandir to house of Balwant. That a sum of Rs. 15000/- were sanctioned for construction of this work and the Pradhan has received a sum of Rs. 14990.00/-. He had also shown to have spent this amount on this work, whereas as per the assessment of A. E. (Development), Nurpur, the work was of Rs. 14018.00/-. Thus a sum of Rs. 972/- has been misappropriated.

**Charge No. 4.**—Construction of Path Musalmana Jassur. A sum of Rs. 10000/- was approved for this scheme and the Pradhan had received a sum of Rs. 9983/- which he had shown to have spent on this, whereas, the work as assessed by the A. E. (Development) was Rs. 5466.00, thus a sum of Rs. 4517.00/- were shown in excess of the assessment.

**Charge No 5.**—Construction of road Mugtiyal. In the construction of this work a sum of Rs. 11000/- was sanctioned and the petitioner have shown to have spent Rs. 11599.00/- whereas the assessment by A. E. (Development) have assessed this work for Rs. 9511.00/-. Thus a sum of Rs. 2088.00/- have been shown in excess.

**Charge No. 6.**—Construction of Path Kamnala Lohara Mohalla for the scheme. This scheme was approved for sum of Rs. 50000/- whereas sum of Rs. 47347/- were shown to have been spent on this scheme. But as per assessment this work was of Rs. 33350.00/-. Thus a sum of Rs. 8997.00 have spent in excess of the assessment.

**Charge No. 7.**—Construction of Path from Shiv Mandir to Piplu tree. This scheme was of Rs. 25000.00/-, whereas on record the petitioner has shown this work of Rs. 24918/-, whereas A. E. has assessed this work of Rs. 22949/-. This a sum of Rs. 1999/- have been shown in excess.

The work of charges No. 1 to 3 and 7 have not been done according to sanctioned plan, whereas rest of the work of the charges have been found complete. From the perusal of this enquiry report and reply of the petitioner it is clear that works have been done in excess of amount shown by the petitioner. Whereas the assessment report from a technical expert i. e. A. E. assess then detailed above. On these aspects I am not satisfied by the reply of the petitioner. Moreover, the allegation of political pressure has not been substantiated by the petitioner by any cogent and reasonable arguments, not these are born out from the record. As such this representation is rejected because the record as well as the enquiry report prove the allegations of misutilization of the Panchayat funds.
